

# Herbst K218

## Standard Features

Our Herbst K218 Rear Dump Carts eliminate the need for backing and will dump over 10 foot 6 inch sides.

Available with and without destickers.

Our Herbst K218 "Super Clean" Destickers have been used in almonds, walnuts, pecans, and hazelnuts throughout the United States as well as Australia, Mexico, and South America for over 30 years.

"Super Clean" Destickers are available to fit all sizes of K218 "Lo-Hi" Dump Carts, including older models.

Newly redesigned for better loading and more cleaning with longer desticker chain.

Made to fit inside standard shipping container without re-assembly.
